

How to Study: **Math**

Use Question based learning.

Do a random problem. Check the answer in the back of the book.

Did you get it right?

No!

YES!

Read the lesson

Oh! That's how you do it!

Hooray!

Do another!

I don't get it!

Check your notes

It is all so clear now!

Still Confused

Check online:
Khan Academy or similar

Set up a
Study
Group.

What a great explanation!

I am totally stuck

The teacher is amazing (written by a teacher)!

Ask your teacher

REPEAT FOR AT LEAST 15 MINUTES EVERY NIGHT
